

MESSIAH UNITED METHODIST CHURCH

CIRCUIT WRITER

Newsletter Introduction: *In this month's message, Pastor Johnson invites our church family to celebrate what God is doing among us and to prayerfully step into the next season of spiritual growth, ministry involvement, and shared vision. As we look ahead with faith and expectation, may each of us consider how God is calling us to grow, serve, and participate in the work He is unfolding through our church.*

A Word from the Pastor: Stepping Forward Together in Faith

Church family, I believe God is doing something beautiful, powerful, and life-giving among us! As I look around our congregation—across generations, cultures, gifts, and stories—I see unmistakable signs of His grace at work. This is a season for us to celebrate what God has already done and to step forward together with fresh faith, joyful expectation, and holy excitement into what He is calling us to become.

Every congregation reaches moments when God invites His people to grow deeper, serve wider, and believe bigger—and I believe this is one of those defining moments for our church. The vision God has given us is not simply about programs, calendars, or plans. It is about transformed lives, strengthened families, renewed passion, neighbors being reached, and our church shining even brighter as a reflection of the kingdom of God.

Growing Deeper in Christ

As your pastor, I am convinced that spiritual growth is the fuel for everything God is calling us to do. Before we launch new initiatives or take on new assignments, we must first abide in Christ and draw strength from Him. Our wisdom, unity, courage, and joy come from the Lord. As we commit ourselves to prayer, worship, Bible study, discipleship, and daily obedience, God will equip us to carry His mission with bold faith and willing hearts.

For some of us, the next step may be joining a small group, attending Bible study with renewed commitment, or building a stronger prayer life. For others, it may mean mentoring someone younger in the faith, restoring a relationship, welcoming a new family, or finally saying “yes” to gifts that have been waiting to be used. Wherever you are on the journey, I want to encourage you: God is calling each of us to take one faithful, courageous step forward.

Embracing New Ministry Opportunities

I am excited about the new ministry initiatives before us because they are opportunities to put our faith into action. They are invitations for us to serve, connect, teach, encourage, welcome, and reach beyond our walls with renewed passion. These initiatives are not meant for a select few; they are a shared calling for the whole body of Christ, and there is room for everyone to take part. One of the great blessings of our church family is that we are multigenerational and multicultural. Every voice and every gift matters. Our children remind us of wonder. Our youth bring energy, creativity, and fresh vision. Our adults offer strength, wisdom, and leadership. Our seniors carry testimony, perseverance, and deep spiritual insight. Across cultures and backgrounds, God has placed within us a vibrant variety of experiences that can bless the church, strengthen our witness, and impact the community around us.

Moving Forward with Shared Vision

The vision God has given our church is bigger than any one person, ministry team, or generation. It calls all of us to pray together, listen together, serve together, and trust God together. As your pastor, my heart is to see us move forward in unity, becoming a powerful living witness of what God can do through surrendered people who are ready to follow where He leads.

There is excitement in the air because this vision is not built on human ambition; it is rooted in faith and carried by the power of God. I believe God is still saving, healing, restoring, teaching, calling, and sending. I believe He has meaningful work for us to do in this season. And I believe that as we grow spiritually and serve faithfully, lives will be changed for His glory.

An Invitation to Take the Next Step

So I invite each of us to ask with open hearts and ready spirits: What is my next step? Where is God calling me to grow? Where is He calling me to serve? Who is He calling me to encourage, welcome, disciple, or reach?

This month, I encourage every member of our church family to take one intentional next step: pray about where God is calling you to grow, connect with a ministry leader, join a Bible study or small group, volunteer in a new area of service, or invite someone to worship with you. Let us not only celebrate the vision God has given us—let us participate in it with faith, joy, and commitment.

Church family, let us move forward with open hearts, willing hands, joyful courage, and expectant faith. The same God who has brought us this far will guide us into what comes next. Together, let us grow deeper in Christ, serve one another in love, and step boldly and joyfully into the vision God has given our church.

With love, expectation, and faith for what God will do,

Rev. Robert L. Johnson

Welcome Ransford Addae

Ransford Kwabena Addae is a Ghanaian collaborative pianist and music educator currently pursuing an M.S.Ed. in Higher Education at the University of Pennsylvania. He holds a Master of Music in Collaborative Piano from the University of Mississippi and a Bachelor of Arts in Music Education from the University of Education, Winneba. Ransford has collaborated with choirs, vocalists, and instrumentalists in both Ghana and the United States and is passionate about music ministry, education, and developing the next generation of musicians.

Sunday School at Messiah

Welcome back to Sunday School!

We look forward to seeing our returning students and welcoming new students to our Sunday School classroom when we resume on September 20th.

We will learn about more heroes from the bible, including women who served an important role in spreading God's word and supporting the ministry of Jesus. We will also study topical areas which can support our students as they develop their relationship with Christ.

We learn about the Lord through lessons, scripture reading, activities, games, movies and arts and crafts. Using several different curricula, we create our programming with input from our students and build upon Pastor J's teaching.

Our goal is to connect biblical lessons to the daily experiences of our children.

As always, feel free to join us on any Sunday at 9:45am.

Hope to see you on September 20th.

At the bottom, the church logo and name 'MESSIAH UM CHURCH' are in white, followed by the website 'WWW.MESSIAHMETHODISTCHURCH.COM'.

Women's Book Club

Women in the Word:

Growing in Faith, Fellowship, and God's Word

Women in the Word (WITW) is a ministry of Messiah United Methodist Church created to provide women with a welcoming place to grow in their relationship with God, deepen their understanding of Scripture, and build meaningful relationships with one another. At the heart of the ministry is a simple belief: when women come together around God's Word, we can encourage one another, learn from one another, pray for one another, and grow stronger in our faith.

WITW is more than a Bible study. It is a ministry of faith, fellowship, encouragement, and spiritual growth. Women of all ages and from all walks of life are invited and welcomed. You do not have to be a member of Messiah UMC to participate. Many of our women come from other churches and other denominations. Whether you have studied the Bible for many years, are returning to your faith, are searching for a deeper relationship with God, or are just beginning to explore Scripture, there is a place for you in Women in the Word.

Throughout the year, Women in the Word offers Bible studies, Christian book studies, fellowship gatherings, discussions, and opportunities for prayer and reflection. Our studies are designed to help us connect biblical lessons to the situations women face in everyday life. We talk openly about faith, family, purpose, leadership, relationships, challenges, and what it means to trust God through every season.

One of our studies took us on a journey through the Gospel of John, where we explored the life and ministry of Jesus Christ and reflected on His teachings, miracles, love, sacrifice, and promise of eternal life. Studying John together gave us an opportunity to look more closely at who Jesus is and what it means to truly believe in Him, follow Him, and live out our faith in our everyday lives.

This summer, WITW continues growing together through our Summer Book Club, reading *On Living Stone: Salome's Story* by Heather Kaufman and exploring a faith-inspired story centered on Salome, the mother of the Apostles James and John.

As we continue our journey together, Women in the Word looks forward to studying Corinthians this fall. Through this study, we will continue digging deeper into God's Word and exploring how its teachings can strengthen our faith and guide us in our relationships, our church, our communities, and our everyday lives.

Fellowship is also an important part of Women in the Word. Periodically, we move beyond our virtual gatherings and come together in person for food, conversation, laughter, reflection, and thanksgiving. These gatherings give us an opportunity to strengthen the relationships that develop during our studies and celebrate what God has revealed to us along the way.

One of the beautiful things about WITW is that we do not expect everyone to have the same experiences or the same answers. Our different ages, backgrounds, experiences, and stages of life add richness to our conversations and allow us to learn from one another. We learn by reading Scripture, asking questions, sharing our perspectives, listening to one another, and allowing the Holy Spirit to guide our conversations.

Women in the Word: cont.

Our goal is for every woman who participates to leave encouraged to open her Bible more often, pray more confidently, recognize God's presence in her daily life, discover her gifts, and walk more boldly in the purpose God has given her.

Women in the Word is about women supporting women while keeping Christ and His Word at the center.

As Scripture reminds us: "For where two or three gather in my name, there am I with them."
Matthew 18:20 (NIV)

Whether we gather around a table, meet through Zoom, share a meal, discuss a book, pray together, or simply listen to another woman's testimony, we believe God is present and working among us.

Women in the Word is a journey and there is always room for another woman to join us. Come as you are. Come study. Come fellowship. Come grow. Come discover what God is speaking through His Word.

Trustees Page

The Trustees are still working hard to keep our building and property clean and safe. We want to give a special THANKS to Kent Barbay and Kevin Walters for all the lawn care, Lord has blessed us with so much, and it is a large task to maintain our property and we thank them for doing so week after week. The fall season is here and

The Trustees also thank Phil and Charlie for their hard work around our building, scraping and repainting the front doors of the church and fixing the ramp on the shed, adding new non-slip strips, so NO MORE SLIPPING!!!!

A View from the Hill: Updates from Messiah UMC

In a spirit of openness and shared ministry, we offer this edition of *A View from the Hill* as a window into current projects, leadership goals, and important happenings around Messiah UMC. In each issue, we hope to share the good news, the challenges before us, and the work we are called to do together as we care for God's house and the community entrusted to us.

Facilities Update

In this issue, our attention turns to the current state of our facilities. The Board of Trustees has been faithfully caring for our buildings and property. As many of us know, the size and age of our facilities bring challenges that call for patience, prayerful planning, and faithful stewardship.

Parsonage Repair

This summer, we encountered a significant challenge at the parsonage. An unexpected maintenance issue arose when the sewer pipe running beneath the foundation collapsed. The old terra-cotta pipe had to be replaced at a cost of \$10,000 so we could continue caring responsibly for the home and for those living there.

We are deeply grateful to Mr. Frank Sylvester, who served as the liaison between the church and the tenants. Frank secured Roto-Rooter to address the pipe damage and related construction work, including digging up part of the old foundation, installing a new pipe, and helping ensure the tenants' safety. We are blessed to have reserves available to complete this repair, and anyone who would like to support this effort with a monetary gift is welcome to do so. Such gifts will help us avoid drawing down reserves used for ongoing maintenance. We are also thankful for the patience and cooperation of the tenants who gave us the time needed to secure the contractor and complete the work. Carpet in one area of the parsonage will also need to be replaced as part of our commitment to their safety, comfort, and well-being.

Front Entrance and Drainage Project

In the near future, infrastructure work will take place at the front of our church. The township and its project partners will complete major drainage system improvements along the front of the property. While this work may bring some inconvenience, especially as office staff and others enter and leave the parking lot during the week, it is an important improvement that will serve the area well.

Messiah is blessed to receive compensation for the work affecting our front entrance and exit. The township will reimburse the church \$17,000 for the five-foot portion of church property needed for the drainage project. The Board of Trustees has not yet decided how those funds will be used and welcomes thoughtful ideas from the congregation.

I also want to offer sincere thanks to Steve Lorenz and all members of the Board of Trustees for their steady and faithful leadership on the many ongoing projects in the life of our church. Serving as a trustee is not an easy ministry, and we give thanks for those who offer their time, wisdom, and gifts in service to God's house.

Building Security

We are also giving prayerful attention to building security. Messiah is blessed with a church property located on the hill here in Whitemarsh Township, and it is important that this place remains welcoming and safe for all who enter. Conversations continue about how we can better secure our buildings and care for everyone who comes onto the property.

Plans are underway to make our buildings more secure, help us better monitor building access by renters and members, and protect sensitive areas of the facility. We will work to secure better door-closing mechanisms, so doors close tightly and securely as people move in and out of the building.

cont.

We will also establish access points that reduce the need for every group to have keys, helping us maintain greater accountability for who is in the building and at what time. In addition, we will update our rental and lease agreements, so they reflect current needs and are easier to use. We also hope to make it possible for applications to be completed online and for electronic payments to be processed. These are just a few of the security and administrative improvements being proposed as we continue working to make our property safer, more welcoming, and better prepared for the ministries that happen here.

Reflection

Scripture reminds us, “Unless the Lord builds the house, those who build it labor in vain” (Psalm 127:1). As we tend to pipes, parking lots, doors, and decisions, we remember that this work is not only about maintaining buildings; it is about preparing a place where people may encounter God’s grace, find welcome, and join in the ministry of Christ. May our care for this property reflect our deeper calling to care for one another.

Questions You May Have:

What happened at the parsonage?

An unexpected maintenance issue arose when the sewer pipe beneath the foundation collapsed. The old terra-cotta pipe was replaced at a cost of \$10,000 so the church could continue caring responsibly for the home and those living there.

What additional parsonage work remains?

Carpet in one affected area still needs to be replaced as part of the church’s commitment to the tenants’ safety, comfort, and well-being.

What work will happen at the front entrance?

The township and its project partners will complete drainage system improvements along the front of the church property. Some inconvenience may occur as people enter and leave the parking lot during the week.

What is the \$17,000 reimbursement for?

The township will reimburse Messiah \$17,000 for the five-foot portion of church property needed for the drainage project. The Board of Trustees has not yet decided how those funds will be used.

How can members share ideas about the reimbursement funds?

Members are invited to put questions, comments, or ideas in writing and share them with any member of the Board of Trustees.

What security improvements are being planned?

Proposed improvements include stronger door-closing mechanisms, designated access points that reduce the need for keys, better accountability for building access, updated rental and lease agreements, online applications, and electronic payment options. These changes are intended to strengthen security while keeping Messiah welcoming and ready for ministry.

Questions and Feedback

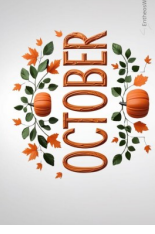

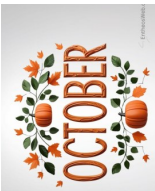

If you have questions, comments, or ideas—especially about the use of the \$17,000 reimbursement—please put them in writing and share them with any member of the Board of Trustees. Your voice matters as we continue growing together and caring for the administrative and physical needs of our church. This has been *A View from the Hill*. May we continue looking from this hill with gratitude, hope, and trust in the One who guides our way.

If you have an article or announcement about yourself, your family, or church activities for a future issue of The Circuit Writer, please submit it to the church office, via email/US mail or hard copy in bin on door of office, by no later than the **15th** of the month. If you have changes of address, phone, or email, please help us communicate with you better, by sending the church office these updates via email or phone.

Our Mission Statement:

It is our mission to win people to Christ,
train believers to become disciples, and send
disciples to impact the world.

Our mission and vision serve as the
foundation for all ministries and guide every
decision, program, and interaction within
Messiah UMC.

Our Vision Statement:
Messiah UMC,
A place
where faith
and
real life connect

Messiah United Methodist Church
527 Ridge Pike
Lafayette Hill, PA 19444
